This can be intimidating to even the most experienced of students. Instead, after the classes are established and the children are acclimated to the routine, other students, and teacher; you may ask your child's instructor and visit inside the classroom when you choose. Complete visitation guidelines are available online or at the studio. We ask that you review them before visiting.</div><div><div>Snow Cancellation Policy -SAVELLI'S IS NOT NECESSARILY CLOSED IN THE EVENT THAT YOUR SCHOOL SYSTEM HAS CANCELED SCHOOL. We will leave a message on our voicemail at (440)942-9300 and on our website at savellidanceandmartialarts.com should we decide to cancel classes due to bad weather. Fox 8, Channel 3 and Channel 5 will also post our closing. Of course, if we do not cancel classes, but you feel it is too risky to drive, we certainly understand. However, due to how our classes are scheduled for the year, we cannot give our students extra make-up classes for classes that have been canceled or that they miss. You are welcome to come and make-up the class(es) in a class that is similar in age and level at your convenience. Feel free to ask about which classes can be used as make-ups.</div><div><div>PLEASE NOTE: There are many days that the public and private school systems have off. We still have classes on those days! Our days off are listed in our brochure. On all other days, classes are in session unless we notify you otherwise.</div></div></div></div></div> | <div><div>Please check our website to see what equipment you need.</div><div><div>2016-2017 Savelli's Supply Mini Price List</div><div>BLOCH split-sole ballet slipper w/ attached elastic! . . . . . \$25</div><div>Lace-free Split-sole jazz shoes . . . . . \$35</div><div>Pre-professional tap shoe . . . . . \$65</div><div>Mary jane Tap Shoes . . . . . \$37</div><div>Martial Arts Uniforms . . . . . \$35</div><div>Black jazz pants, leotards and tights also available.
