Jamie Kilgore

If you're like most people, you don't like smiling for the camera. The results seem unnatural and often unflattering. What a pleasure it is to discover that photography can actually capture personality, can reveal who you are as well as what you look like.

Jamie Kilgore's talent with a camera is well-known. Her endearing portraits of children and families grace the walls of homes throughout Westchester and beyond. Her professional headshots and casual candids tell the story of you. Her secret? She is a people person, who takes the time to get to know you and the reason behind the photo before a single click of the shutter. Children enjoy her and ignore the camera. Families have fun with her. Individuals are as comfortable with Jamie as they are with a good friend.

Social media has created a new photographic specialty. Are you single? Unattached? Looking to date? Your photo has to project the message you want to convey. Jamie's new offering, Swipe Right by JK, could be the greeting to bring about the meeting.

Hours: Monday through Saturday, from 9:30 a.m. to 6 p.m., Sunday by appointment.
