

Outdoor Session Booking Options

You can choose from 3 options to book your outdoor portrait session, each having their own advantages. Please note that you must add a travel fee if applicable and tax to all quotes.

❖ A La Carte

Pay session fee of \$179 to book without an additional commitment. No minimum order, you just purchase what you want. Bear in mind that if you don't meet either a minimum Lustre print order of \$500 or order in my collection program, then you will pay escalated "a la carte" prices, but you do NOT have to meet a minimum order.

❖ Product Credit

Pay a minimum of \$299 which will cover your session fee and product credit (valued at \$240) of ONE of the following:

- (3) high res digital images, OR
- (3) gift prints, up to 8x10 size, OR
- (1) 11x14 mounted wall portrait.

For every \$100 additional you commit to AT BOOKING, you will get (3) additional digitals or gift prints or \$110 credit towards your order. Only orders over \$500 will benefit from reduced collection pricing; up to that point you will pay a la carte pricing for anything not pre-paid.

❖ Order Credit

Pay a minimum of \$450 which will cover your session fee and a \$300 credit toward your order. You will benefit from reduced "collection" pricing vs. paying a higher "a la carte" price per print or product which provides a savings of 50% or \$50-\$100 per item. On top of that, you have a 10% savings built into the \$300 credit for committing to the \$450. For every \$100 additional you commit to AT BOOKING, you will get \$115 credit towards your order.

All options require payment at booking and balance due at session, unless prior arrangements are made for payment plan.
