2018-2019 Sponsorship Program

The Northwest Guilford Choral Boosters, Inc. was founded to support the Choral Music Department at Northwest Guilford High School. The success of the students in all choirs at Northwest is our primary goal. All contributions and sponsorships are tax deductible as we are a non-profit 501 (c) (3) organization.

We exist:

- To foster an awareness that a musical arts program plays a significant role in the academic development of successful high school students.
- To cooperate with the Director and the Administration to maintain a high level of expectations for our choirs.
- To promote the general activities of the NW Viking Choirs.
- To encourage an enthusiastic interest in the NW Viking Choirs among parents and the community.
- To provide financial resources for a fully funded Choral Music program.

The Viking Voices Choirs have an outstanding reputation for excellence in performance on stages around the community and across the country. They have performed on stages from Canada to the Bahamas, from New York City to Orlando to New Orleans. They have consistently earned a “Superior” rating at the North Carolina Music Performance Adjudication, which is the highest ranking given.

The Northwest Choral Boosters also helps to support a biannual musical, which gives students the opportunity to be a part of a Broadway-style performance.

We believe in the value of Music Education because:

- Music students perform more highly on standardized tests, including the SAT and ACT, and achieve higher grades in their academic classes.
- Music students develop a high level of personal responsibility that transfers to other areas of life as they acquire leadership skills within the group.

- Music students learn to communicate well with others in a working environment, accomplishing rigorous tasks under pressure.
- Music students are exposed to different cultures and languages and are prepared to be active in a global economic and educational environment.
- Music students are taught to think creatively to solve problems by learning to collaborate with others

Music students develop and sustain meaningful relationships with others through their common experiences both on and off the stage.

How are your funds used?

When you support **the Northwest Guilford Viking Choral Music program**, you are contributing to the unforgettable experiences and life-changing opportunities that our students are gaining each school year from being a member of the choir. The funds we receive will be used to purchase necessary items such as choral music, pay concert expenses, pay accompanist and special guest fees, piano tuning, festival fees, and transportation. **The NW Viking Voices** are supported entirely by the donations and sponsorships given to The Northwest Guilford High School Choral Boosters, Inc. All funds will directly benefit our students.
