

SENIOR PORTRAITS

2020

HELLO THERE

“May your eyes be clear.

May your hearts be full.

May curiosity rule your senses.

May enthusiasm ignite your actions.

*May you see what can't be seen by the world
around you.*

May you make the impossible possible.

*May you strip away your fears, your expectations,
your doubts, and unleash upon the world your gift
of boundless originality that resides within..”*

Srinvas Rao

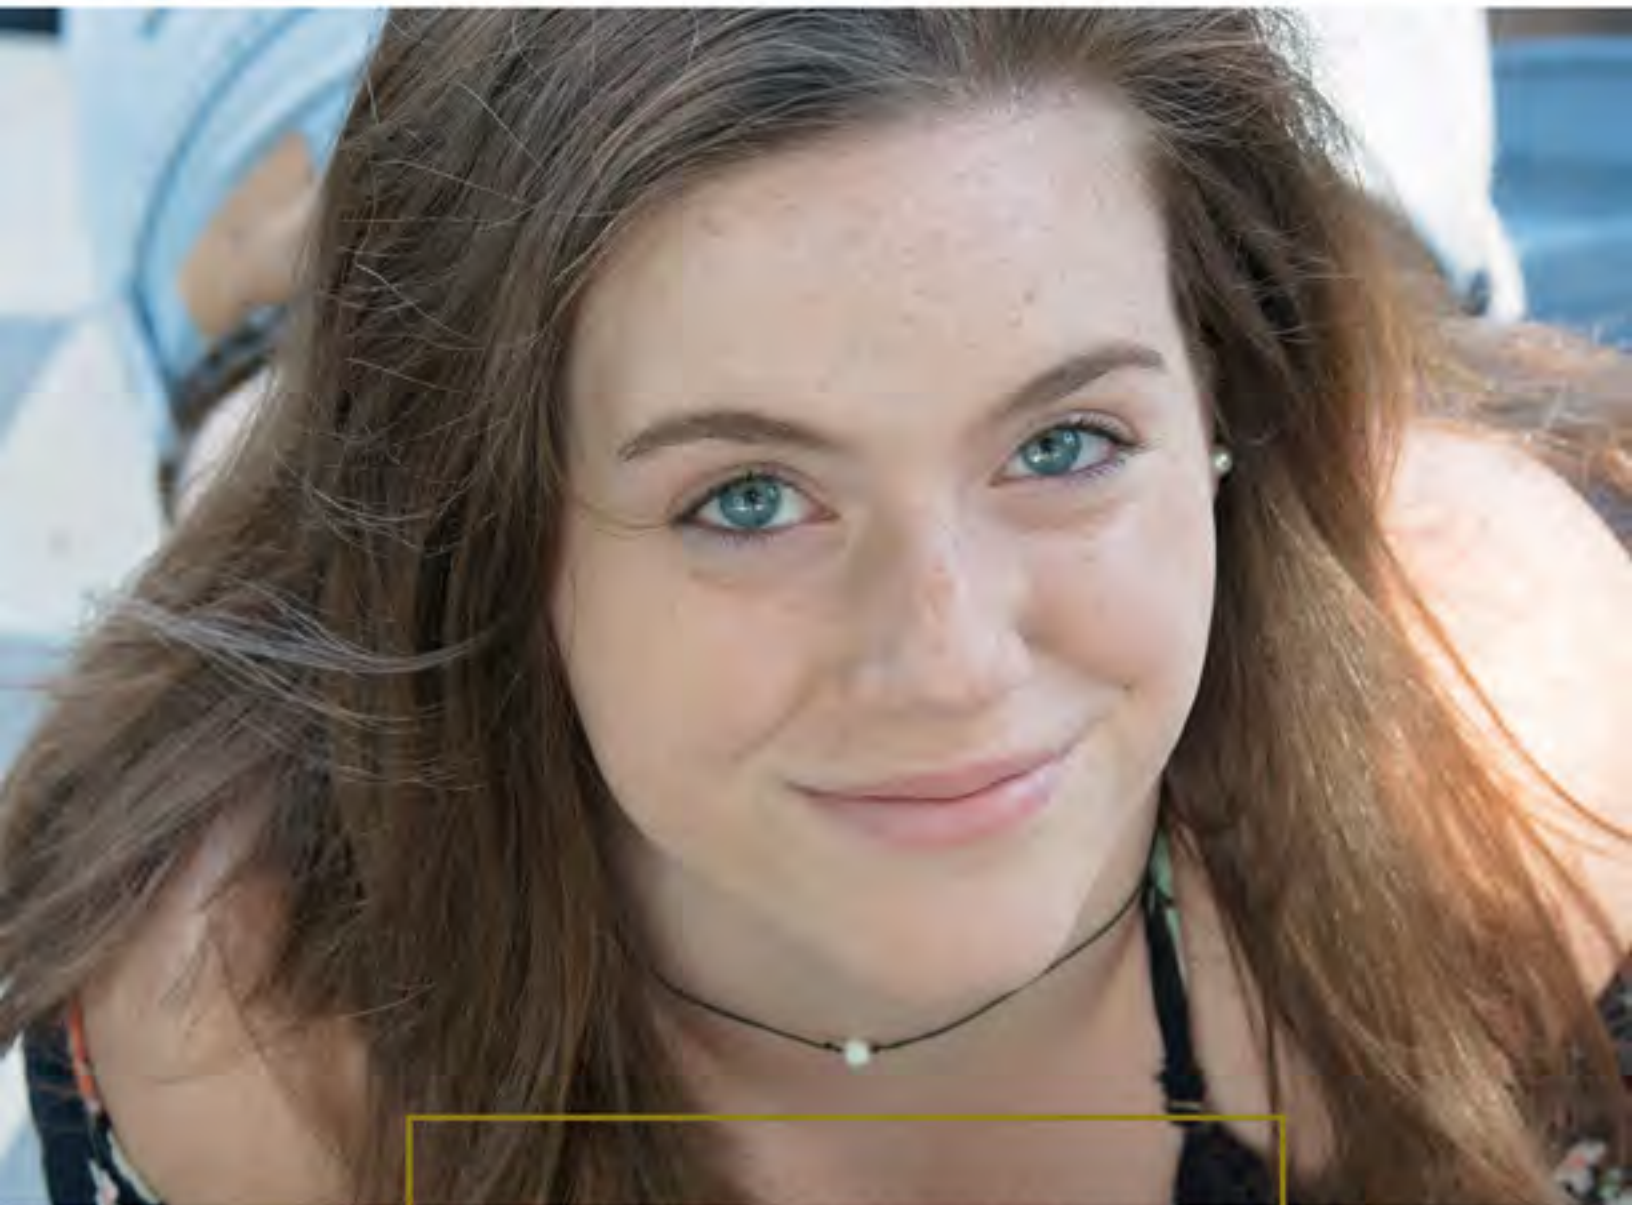

These are my wishes for you.

Allow yourself to be you during our session. Let your enthusiasm and originality take over your senses. Dance and twirl and laugh. Let your eyes sparkle and your heart sing for this is what makes the best photos.

You are the magic of the session because you are **you**.

I can't wait to meet you and hear about your senior year. We are going to have a great photo session.

You are a *story* that needs to be told...

**YOUR IMAGES WILL TELL THE
STORY OF YOU.**

And we want to make it all about you.

Your hopes.

Your dreams.

Your Passions.

Bring along your collections, your memories, your
bff, your fur baby.

They're what show your true personality and will
help tell the story you want to tell.

WHAT TO EXPECT

EXPECT TO FEEL LIKE A MODEL.
EXPECT TO LOOK LIKE A MODEL.

DON'T WORRY ABOUT BLEMISHES

My make up artist will enhance your best features and have you camera ready without being over done. You will look and feel magazine ready.

DON'T WORRY ABOUT POSING

I'll guide you throughout the shoot so that you don't feel awkward or self conscious. You just have to relax, have fun and you will look like the best version of yourself.

**BE PREPARED FOR A LITTLE
SPONTANIETY AND CAREFREE FUN**

If I see an awesome spot on the side of the ride that will work great with your outfit, chances are we're going to stop and shoot. Your session can change directions at any time but we'll always get the shots you want. Showing your true personality is the goal of every session, so don't be afraid to let yourself go and twirl and dance and sing. Have fun.

WARDROBE PLEASE

WHAT TO WEAR

Let you be you, boo. Stick with what you already have and already love (mom you can thank me now). What's *the* outfit that makes you feel like magic is going to happen today? That's the outfit you bring. When you feel good, you look good and you're gonna shine. But think of the outfit as a whole. Would you wear sunglasses with it? A floppy Free People style hat? What shoes would make you feel like dancing? Make sure your clothes are clean and pressed and you have the correct undergarments for each outfit.

MUST HAVES

WHAT TO BRING

Casual Outfit

Any type of denim will work great - shorts, skirt, jeans.

Casual Dress

Think beachy vibes. A sundress, floral print, maxi dress

Dressy Dress

A great way to re purpose your prom dress.

Accessories: Make your outfit complete. Think of it as styling a fashion shoot.

Show your personality but not anything else. (Nothing too revealing).
