

# BUILD EXPLORE PLAY DREAM

The hammering, dust and the boiler are gone, and what we have returned to is a facility that exceeds our wildest dreams! The incredible attention paid to this historic Carnegie Library building renovation was due to the thoughtful consideration to details by the City of Brookings, the Historic Preservation Committee and the generosity of a donor. We are deeply appreciative and grateful to all who played a roll in the revitalization project.

We officially re-opened August 4th and have been thrilled to show off our amazing gallery, state of the art classroom and 100% handicap accessible facility to everyone! Excuse us if we smile bigger, we rave on about the changes, and just beam when you notice something new...we are just so happy! The changes have increased daily traffic through the building and raised awareness of our mission. We're pleased to have new members becoming a part of the BAC family.

Art is happening again at the Brookings Arts Council and we invite you to come tour our building, take a class, enjoy an exhibit and to celebrate the support that the BAC has in Brookings.

Sincerely,

*Nathan Fahlman* and the Board of Directors
