Your image means everything in the business world and Michael's Photography will create a professional portrait of you and your staff to meet all of your marketing needs. Whether it's a small black and white ad or a full color billboard or anything in between, we'll make you look great! We can help you with all of the details. Call us today to schedule your session and to discuss your next project.

Our Sessions

Business Portrait Session - 4-8 head and shoulder poses of one person in one outfit.

Basic Portrait Session - 8-12 poses of one person for more variety OR for a group of two or more people.

Deluxe Portrait Session - a group portrait and individual portraits of people in the group.

The Best of the Best - everyone is photographed separately and a group portrait is created with the best pose of each person. The group portrait can easily be updated as staffing changes.

On Location Session - we can create your images at your place of business or office.

Our Services

Retouching - make your image look even better by removing blemishes and smoothing skin.

Artwork - to correct or add to an image beyond standard retouching.

Digital Images - with unlimited usage on a disc.

Custom Printing - any size Wall Portrait (11x14 and up) for your office or lobby.

Finished Portraits - from wallets to 8x10's for your desk or as a gift to your family.

Frames - to compliment your portrait and match your decor.

Thank You, Holiday, and Greeting Cards - to keep in touch with your customers.
