## ABOUT OUR STUDIO

*“Marry me, Angela, and taste with me life’s sweet marrow as small town studio photographers.”*

That’s not a line Colin could have used on just anyone. Luckily for him (and me), we had both just graduated from photography school. That was 2009.

In 2011, we opened Thomas Photographic in Homewood’s Southgate neighborhood along historic Dixie Highway. For five generations, the Thomases have made Homewood their home. There’s no place we’d rather be; this is where the most beautiful, diverse, and interesting people in the world live. We know because thousands of them have invited us into the most important moments of their lives as their photographers.

You will find no studio more versatile, more attentive, or more fun to work with. Please enjoy the photos in this book, and see the wide range of packages and options we offer. We can’t wait to be your photographers.

— Angela and Colin Thomas

### **On-Location**

For on-location sessions, we'll travel up to 20 miles from our Homewood studio to meet you at no additional cost. Use your own home as a backdrop; or the Loop, the lakefront, beautiful parks and more are all within range. Not sure where you'd like your outdoor pictures? Ask us! We love recommending the right location to fit your family's needs.

## HIGH SCHOOL & COLLEGE SENIOR SESSIONS

The typical high school and college sponsored portrait offers can't touch our senior picture sessions. We adore helping young adults express themselves and work with each student to let their spirit shine!

Senior sessions last approximately 1.5 hours. We split the time between the studio and outdoor locations. Seniors are encouraged to bring things that make them who they are. For example, sports uniforms, band instruments, and a change of outfits. We have caps and gowns available.

We begin with a studio sitting, then move on to the location of your choice, in an outfit reflecting your personality. We continue on to a third location featuring your interests, or something more relaxed and casual.

Senior sessions are available to all high school and college seniors.

### **Senior Sessions: \$315**

Senior Sessions include:

- 1.5 hour sitting
- 2-8 x 10 sheets
- 4 sheets of wallets
- 4 digital images
