2020 ANNUAL REPORT

vision. mission. goals.

KIM CRUMRINE

Executive Director
Royse City ISD
Education Foundation

In 2020 we found many ways to celebrate the 10 year anniversary of our founding. While an unconventional year for us, we found great success in fundraising and grant opportunities for our amazing educators.

Through the hard work of our directors over the years, more than **\$925,000** has been given back to our schools, classrooms, teachers and students.

The challenges presented to our schools during a pandemic have made our mission even sharper. It is our passion to enrich and enhance the education provided in Royse City ISD schools.

It is our pleasure to ask educators what they need to succeed and work tirelessly to see that need met. We've seen their big ideas and dreams come to life this year. Ultimately, our students reap the rewards.

We hope this report will capture the success and joyous achievements that we have seen throughout the years. Thank you donors for making it possible!

Special thanks to RCHS Graphic Design Students K'Leigh Thompson and Beau Lancaster, along with Teacher Leath Voth, for the artwork design on the cover of this report!

GET TO KNOW US

WHAT IS THE EDUCATION FOUNDATION?

A non-profit 501(c)(3) organization that raises money to enrich the education provided in RCISD. A group of volunteer directors work each year to raise funds for programs that stand to enhance the school experience for students and staff. Since 2009, more than \$500,000 has been granted to Royse City ISD for innovative classroom projects.

WHERE DO THE FUNDS GO?

The funds we raise go directly to classroom grants as well as towards teacher and student recognition programs. The Top Dog Spectacular is held each year to honor some of the top seniors at RCHS. In addition, the Foundation provides awards for various employees of the year each May.

HOW CAN YOU GET INVOLVED?

The Foundation is always looking for new directors to help us reach our goals. As a group, we meet once per month. You will get to see how these hard earned dollars are positively impacting the 6,200 plus students served each day in Royse City ISD. To donate, or learn more, visit www.rcisdef.com.

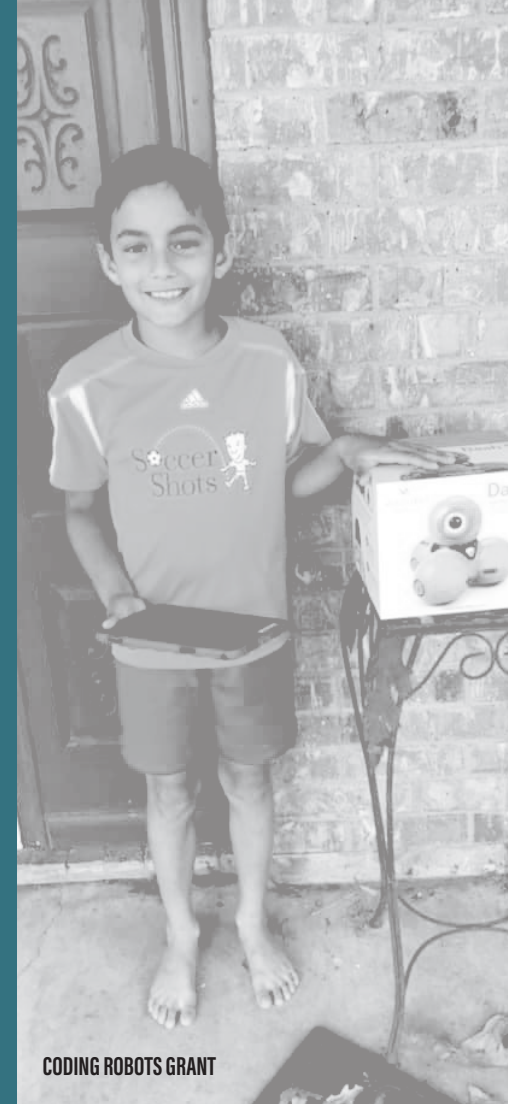

OUR HISTORY

In 2009, Mrs. Jo Nell Melody and then Superintendent Randy Hancock embarked on a mission to enhance public education above and beyond traditional means. The Royse City ISD Education Foundation was formed and has flourished into the go-to source of funds for our most innovative educators and programs.

For the next 10 years, a selfless group of volunteer directors generated and distributed more than \$885,000 to teachers, students and campuses for innovative programming.

In our inaugural year, 16 grants for a total \$29,424 were awarded. That number climbed to more than \$50,000 by 2020.

This growth is contributed to the dedicated directors who formed outstanding relationships with generous donors throughout our community and region.

top dog students

The Education Foundation hosts the Annual Top Dog Spectacular to honor graduating seniors from Royse City High School. Students are nominated to receive this honor for their academics, leadership roles, involvement and contributions to their school and community. Each Top Dog selects one educator who impacted them throughout the years. As with many of our traditional celebrations we found a creative way to celebrate safely! Our directors and school administrators went to each Top Dog's home to honor them in person.

BOARD OF DIRECTORS

Our dedicated directors are volunteers who work tirelessly to support the education provided across Roysce City ISD. The board, comprised of parents, community members and local business owners, meets monthly to discuss finances and the fundraising efforts of the organization. The group is divided into teams like finance, membership recruitment and public relations.
