*We are constantly encouraged to find what we love and make it a career.  
That is precisely what William Mangum has done.*

*His artistic pilgrimage began by celebrating landscapes and today has blossomed into a formidable contemporary artist whose diverse style and substance have gained an extraordinary audience.*

V

William Mangum "Lush" 36 xx 36 inches, acrylic/canvas \$3,000

*As dynamic and transforming as my contemporary work has been, I will forever have a love affair with landscapes. Maybe it was growing up on a farm that solidified the intrigue of open spaces, big sunrises, and skies with silhouettes of trees as they break the horizon line. It is nature with its own palette of colors that draws me to imitate and celebrate.*

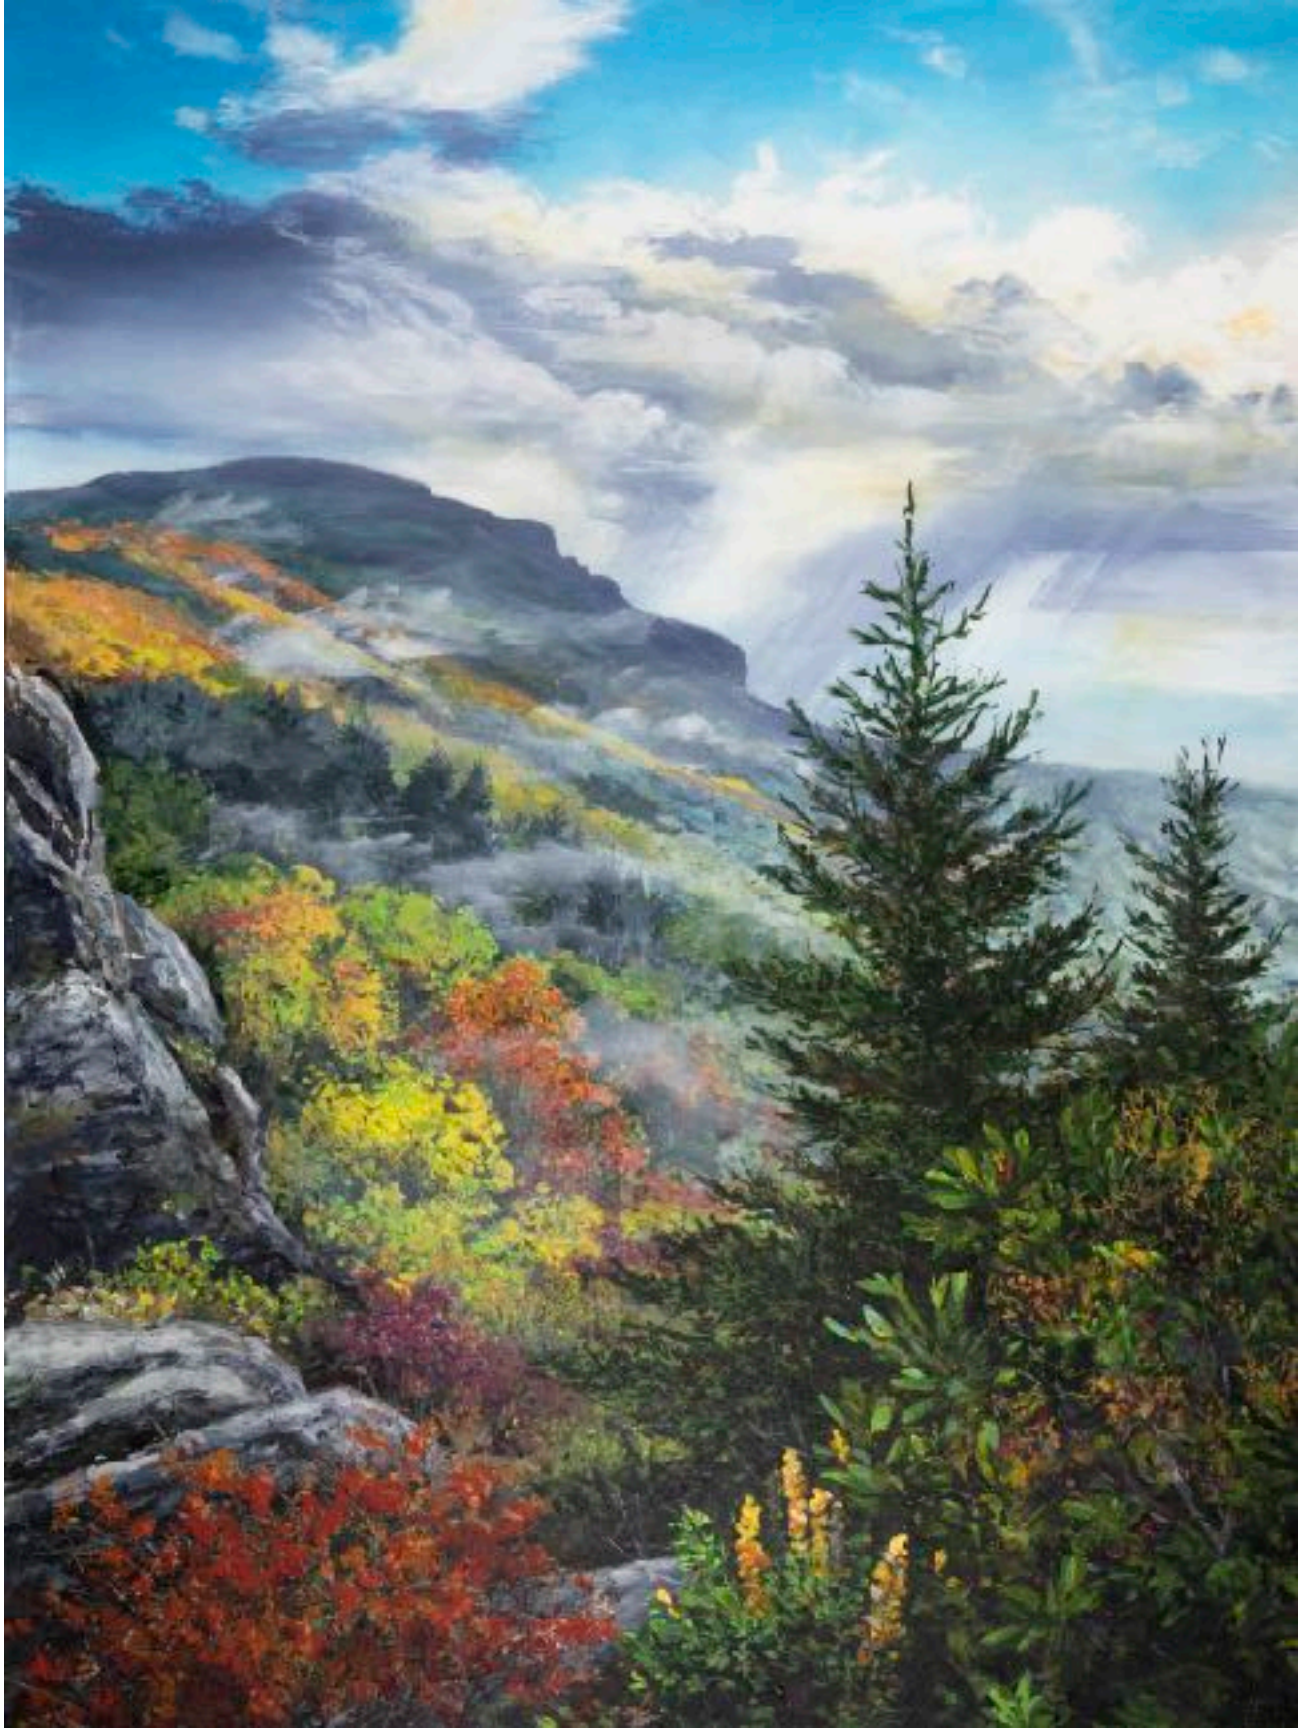

# TRANSITIONAL LANDSCAPES
