

Supplies

Amount of fabric depends on the size.
Please see the pattern for fabric needs.
Sewing machine
Thread to match
Normal sewing tools

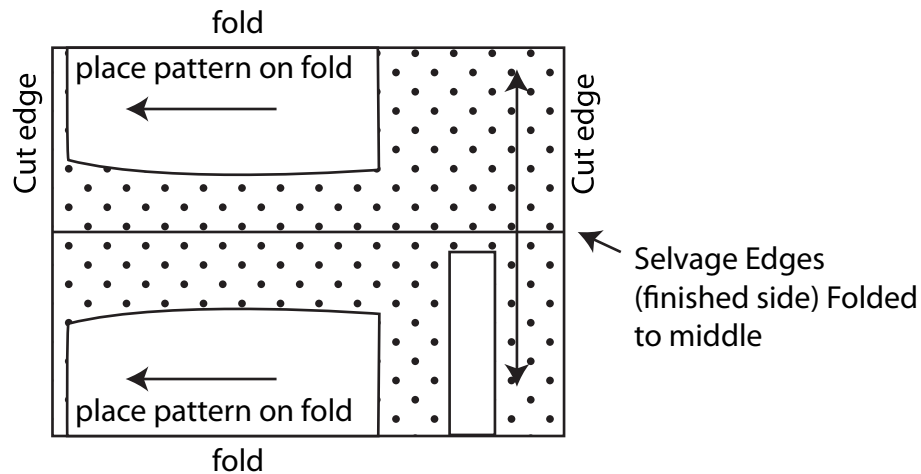

A folded width of fabric must stretch from here

to here

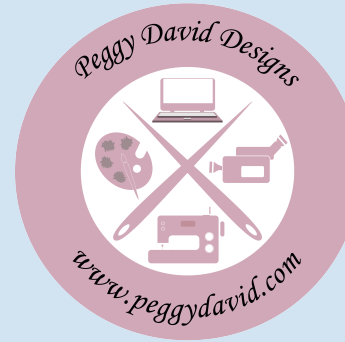

It's ok if it stretches farther

This pattern was written for knit fabric with 30-40% Stretch. There is no pattern for the waistband, but the measurement for it is on the pattern. Please read through the pattern and cut your fabric before class. The included Working with knits will also help you in purchasing the correct knit fabric. If you have questions please email me.

Cutting Layout. Fold selvages to center.
