Threading the bobbin
Machine Safety
Thread knowledge
Needles-types and weight
Typical feet that come with a machine
Correct Tension
Seam allowance
Getting to know your stitches
Steering the machine - pivot and turn
Shopping for Fabric
Project: Tote bag
Supplies for the tote bag will be provided.

Below are the essential sewing tools you will need at some point in your sewing adventures. Shop for these items. A sewing kit of tools will be available for purchase

Essential Sewing Tools

Thread and bobbins
Fabric scissors
Tracing paper and wheel
Seam ripper
Sewing needles
Measuring tape
80/12 universal sewing needles
Pins and pincushion
Light and dark erasable marking pens for fabric

Class 1 project: Tote Bag. All materials for the project are supplied.

If you don't have a sewing machine, I will arrange for you to use one for this class. If you do have a machine, please bring it to class with power cord, foot pedal, all supplied sewing feet and the sewing machine manual that came with the machine.
